The screenshot shows the Millennium Hotels and Resorts website in an Internet Explorer browser. The page features a large banner image of a hotel room with a bed and the text "Millennium Hotels and Resorts". Below the banner is a navigation menu with "Book a Room" and "Manage Booking" options. The main booking form is displayed, showing the destination "Copthorne Hotel and Resort Queenstown Lakefront", check-in and check-out dates "14 Oct - 15 Oct", and guest information "1 Adult 0 Children" and "1 ROOM". A "BOOK NOW" button is visible. Below the form, there is a section for "Use Promo/Offer Code" where the group code "NZGS20" has been entered, resulting in a green "Valid group code" message. At the bottom of the page, there is a row of circular icons representing various hotel locations: AUCKLAND, BOSTON, BUNDESNAGEL, CHICAGO, DUBLIN, GLoucester, HONG KONG, LONDON, MILWAUKEE, NEW YORK, ROME, SINGAPORE, and SYDNEY. The browser's address bar shows the URL "https://www.millenniumhotels.com/en/london/millennium-gloucester-hotel-london-kensington/". The taskbar at the bottom shows the Start button, several application icons, and the system clock displaying "14:51 08/10/19".
